E.Diamantopoulos (Hellenic Society of Internal Medicine)

A.Gallino (Swiss Society of Angiology)

S. Nikol (German Society of Angiology- DGA)

J.C.Wautrecht (Belgian Working Group on Angiology/Vascular Medicine)

P.Poredos (Slovenian Vascular Society)

K.Roztocil (Czech Society of Vascular Medicine)

1 - Policy Statement

The Policy Statement document was widely discussed and finally approved. The approved version (even though still a draft) will be sent to the Members via email for any possible minor adjustments.

2 - Chapter 6

Prof. Catalano presented the work carried out, along with revisions and integrations of the different chapters. The approved version (even though still a draft) will be sent to the Members via email for any possible minor adjustments.

The final versions of both documents will also be sent to the Presidents of the Scientific Societies

3 - UEMS' Division of Angiology/Vascular Medicine

The UEMS' Division of Angiology/Vascular Medicine will put forward names for candidates of CESMA.

4 - Next Board meeting

Since the dates for the European Angiology Days 2011 have not been decided yet (to be held at the end of November or at the beginning of December 2011), convocation of the next Board meeting will follow via email.
