

**- VASCULAR -
INDEPENDENT RESEARCH AND EDUCATION
- EUROPEAN ORGANISATION -**

- **Updating Scientific Workshops will be organized every year in the framework of the project**
- They include a session open to the public "Questions for the experts"
- The workshops will focus on a different topic each year, both with lessons and identifying the main issues for contributions (call for abstracts) and discussion:

- **Timing**

- ✓ Lessons: 30 mins each
- ✓ Selected contributions (abstracts) on specific issues: 4 mins x up to 5 abstracts selected for each subject
- ✓ Discussion = up to 15 mins for each subject
- ✓ At the end of each day, up to 1.30 hrs open to the public: "Questions for the experts" (free of charge but subject to booking).

- **Call for Abstracts:**

- A maximum of 5 abstracts for the subject of each presentation to be given in oral presentation.
- **Registration fee:**
€100 (Vas Members €50)
Grants will be provided for enrolment (free of charge) Please send applications indicating justified reasons and enclosing a CV.
Any surplus (after covering expenses) will be devoted to Vas activities (Vas account)
- **Accommodation** at controlled costs will be available on request. Free places are available (some double rooms) staying with selected Milanese families.
- **ECM/CPD** requested

Dinner

"Just pizza" 15 €, Optional, reservation requested.
